## First Annual Drive In Movie Night

Friday Art Camp begins On October 24, just a few short days away. We are trying something new this time— 6 parents from Midway Elementary School will be volunteering. Registration forms are still coming in from the school, so there

isn't a count yet on how many children will be participating.

Please pray for the volunteers from the church and the relationships they will build with the students and the parent volunteers. Pray

for the students, that God will help them find their creativity and develop a greater self appreciation through the "Selfie" activities. Pray for the parent volunteers that they will learn some positive ways of encouraging creativity in

## Eating Right/Being Active Class Update

Our first Eating Right Class began with 3 families and 8 children! Hannah and I had a great time coloring pictures of our dinner plates, doing jumping jacks and push ups, and trying hummus, peanut butter, celery, and pretzels!

I am sure that the parents along with

David and Annie Hill had just as much fun throwing around a beach ball, making a fruit salad and snacking on carrots and hummus!

Please pray for the families and the instructors from Food Sense as they come into our building each week.
